### PROJECTS

#### Portfolio

I have created a website to showcase relevant information about myself, including my qualifications, skills, and certifications. The responsive website was developed using HTML, CSS, and JavaScript. I have hosted this website on GitHub.

#### Anime Theme Song Website

This is the first website I created and hosted using GitHub, having learned HTML, CSS, and JavaScript. The website features various anime images and songs.

#### Drive Dynamos

I created a website for an event called Drive Dynamos, held at our college on the occasion of SumShodhini.
